IN COLLABORATION WITH -

WELCOME MESSAGE

Dear Friends & Colleagues,

The Department of Endocrine & Breast Surgery, Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS), Lucknow is delighted to invite you to the SGPGI Breast Course 2026 & IAES Midcon from 3rd to 5th April, 2026.

The first SGPGI Breast Course held in 2005 was India's first academic meeting dedicated exclusively to breast surgery. Over nearly two decades, SGPGI Breast Course has grown into a premier national platform for academic exchange, surgical skill development, and multidisciplinary collaboration.

The 2026 edition will continue this distinguished tradition, featuring eminent national and international faculty who will share cutting-edge insights in the rapidly evolving field of breast surgery.

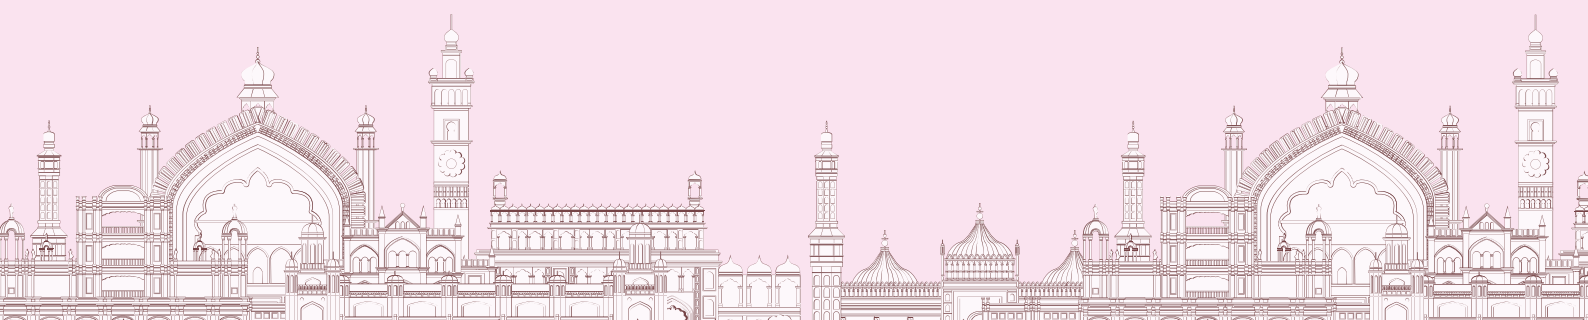

Practising and in-training breast surgeons and other surgical specialists with an interest in breast surgery, oncologists, and allied specialists should plan to participate and benefit from the lively deliberations of the SGPGI Breast Course 2026, and also enjoy the fabled "Awadhi hospitality and cuisine."

Best regards

From Organizing Team

LOCAL ATTRACTIONS

Places to visit in **LUCKNOW**

The City of Nawabs, beautifully blends royal heritage with timeless culture. From the grandeur of Bara Imambara and Rumi Darwaza to the elegance of Chota Imambara, history lives here. Landmarks like the British Residency and Clock Tower narrate stories of India's past. Vibrant spaces such as Ambedkar Memorial Park and Hazratganj reflect the city's modern spirit.
